

# HDPE M10964

## Overview

HDPE M10964 features superior stiffness that allows for part thinwalling and improved stack. It displays excellent impact resistance and processability. Includes UV stabilizer.

Property	Value	Unit	ASTM
Melt index (condition 230°C/2.16 kg)	10	g/10 min	D 1238
Density (g/cm <sup>3</sup> )	0.964	g/cm <sup>3</sup>	D 792
